

To Our Residents and Family Members:

We want to inform you that we have received confirmation from the Minnesota Department of Health (MDH) that an individual at Heritage of Edina that has been diagnosed with COVID-19. Resident safety is our top priority and we are doing everything we can to ensure we stop the spread of COVID-19 within our facility.

We are aware of the compassionate caregiver's guidance, as well as expanded indoor visitor's guidance from the Minnesota Department of Health for nursing facilities. We are required to have 14 consecutive days of no positive residents or staff in the building to expand compassionate caregiver and indoor visits. We are currently testing all residents and staff weekly as of October 27<sup>th</sup> 2020. When we get close to meeting that goal we will update the website with the date of planned opening.

Sincerely,  
Heritage of Edina
